## Seminar On Computer Aided Drug Design & QSAR

Anandi Shikshan Prasarak Mandal Sanchalit, Anandi Pharmacy College, Kalambe Tarf Kale's IQAC Cell was involved in conducting a seminar for B. Pharmacy students on subject "Computer Aided Drug Design & QSAR" on Tuesday 10/02/2023

For the said program, Dr Prafulla Choudhari Sir, Associate professor from Bharati Vidyapeeth College of Pharmacy, Kolhapur was invited as a Guest Lecturer for this session. Principal Dr. R. S. Adnaik sir gave brief information about the motto of guest lecture and shares few guiding words to our students and granted permission to start the session. Program started with introduction about speaker by Mrs. Priyanka S. Lad.

The objectives of this lecture are to educate the next generation of scientists on rational medication design, discovery, and development. The speaker explained Over the last century, chemistry has had a positive impact on life expectancy and quality through medication creation and production. Several methods have been developed to rationalize the process by shortening its duration, cost, and attrition rate, one of which is computer-aided drug design. CADD employs computing resources, algorithms, and 3D-visualization to help generate rational ideas about how to create or change molecules, as well as make judgments in the execution of the drug design process for B. Pharm. Students

Many queries of the students related to jobs in Pharma Industries were solved. The lecture was very interesting and informative to the students. All the staff members along with the students were present for the lecture.

At the end of lecture question answer session as well student's feedback were conducted. Guest speaker conveyed best wishes to our students for their future life. Principal Dr. Rahul Adnaik sir gave special thanks to guest speaker for delivering valuable information regarding Pharma Industry. The formal session ended with vote of thanks, delivered by Ms. R. Shah.

Under able guidance and encouragement of Management, all the Teaching and Supporting Staff put whole hearted efforts in planning and execution to make the program a grant success. The overall session was very good and interactive.

### PROGRAM OUTCOMES:

- 1) Guest lecturer Provided a comprehensive overview of the challenges and opportunities faced by the pharmaceutical sector
- 2) students of this profession while they enter the market.

## ANANDI PHARMACY COLLEGE, KALAMBE TARF KALE

### Importance of profession ready training and placement program in clinical research and pharmacovigilance

On 13th September 2022 a One-day training webinar was organized for the B Pharm students for introducing them to career opportunities in clinical research and pharmacovigilance by IQAC and Training & Placement Cell of college in collaboration with CLINI INDIA a progressive and premier Clinical Research Institute.

The team of eminent trainers from Clini India was formerly welcomed by Principal Dr. S.A. Pishawikar. Vic-principal & IQAC in-charge Dr. Rahul Adnaik and Training & placement In-charge Mr. Sujeet Salokhe presided over webinar by briefing students about purpose and intention with which programme was arranged. Prutha Joshi of Clini India gave a brief information about the activities and training courses offered by Clini India. She also formerly introduced the students and staff of college to the Eminent trainer/ speaker Mr. Vishal Chaudhari.

In his delivery he introduced students to various career options in the field of clinical research and

Pharmacovigilance which is becoming a hub of employability. He briefed students about expectations of industry from a fresher as well as categorically insisted that students should acquire in depth knowledge in subjects like Anatomy-Physiology and Pharmacology. He shared few secrets where by higher package and placement can be achieved in a reputed organization/ industry.

Around 130 students actively participated in webinar. Students seem to be overwhelmed by the information they received in the field of clinical research and pharmacovigilance.

IQAC as well as Training & Placement Cell felt that the purpose with which the training session was arranged was very much beneficial for student in getting orientation in planning their professional career in the field of clinical research and pharmacovigilance.

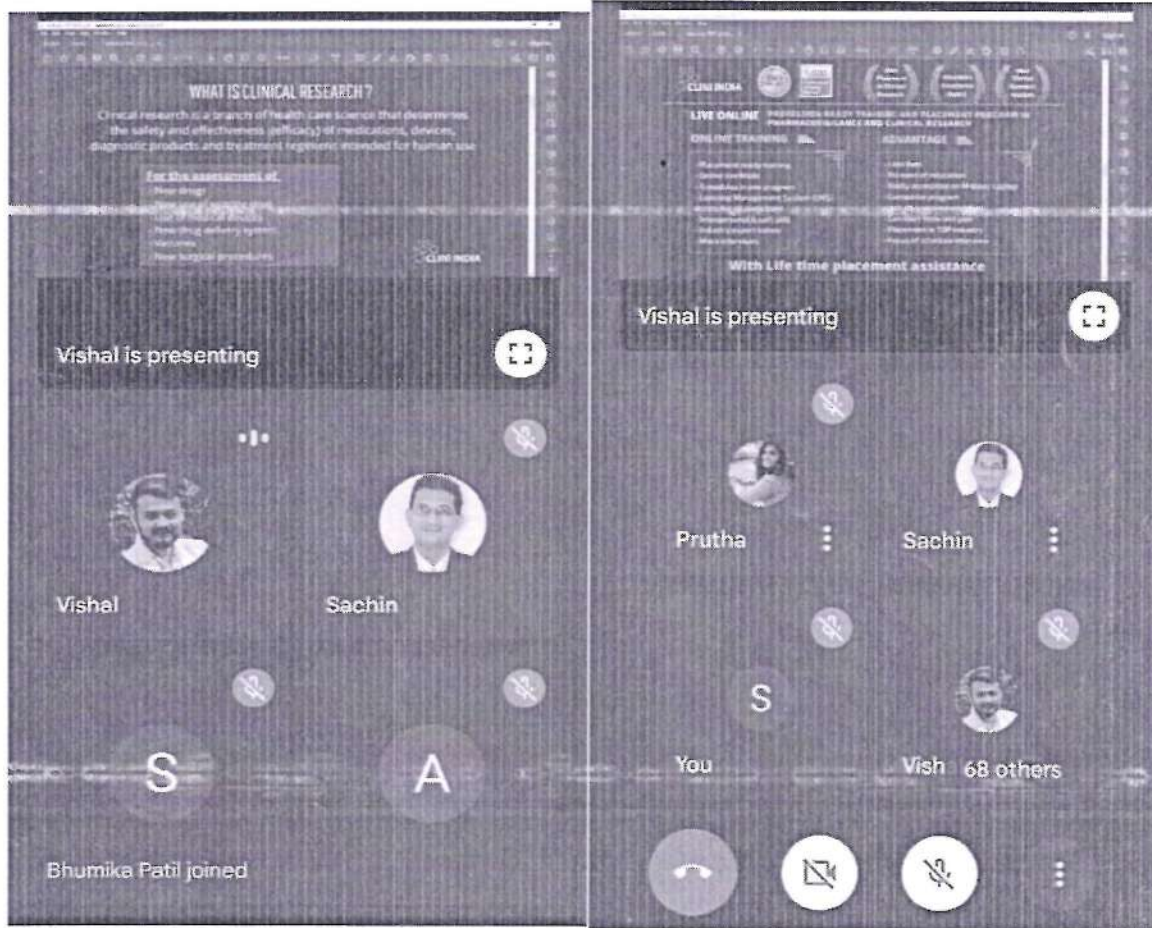

Vote of thanks was given by Mrs. Rutuja Shaha madam. All the staff members provided their whole hearted support in making the webinar a grand success.

Academic Year 2022-23

OUT COME:

- Students got insight of various career options available in field of Clinical Research and Pharmacovigilance.
- The webinar will be definitely helpful for students in choosing clinical research as well as Pharmacovigilance as lucrative career option.
