## Summary for CRITERIA NO 3

### RESEARCH INNOVATION AND EXTENSION

Our institution has tried to achieve remarkable progress in research area in short span. Institute has setup its own innovation ecosystem and incubation center for development of herbal products with motto of empowering our society by using crude drugs cultivated in our nearby regions. Institute has purchased different instruments and machines required for carrying out research activities. Institute is fulfilled by faculties who have achieved remarkable progress in research by publishing patents, having granted patents and research publications in Scopus indexed and other reputed journals. Institute has received grants from Shivaji University Kolhapur. Faculties have won the awards like emerging scientist award, Avishkar and other awards in research area. Students have also secured various awards in research sector at state, national and international level. Institute promotes the faculties and students to develop innovative ideas and conduct research by giving support to them in terms of chemical, instruments and financial support. Institute conducts various seminar, workshop and conferences to create awareness about research and know different innovative ideas for faculty and students. Through the conference it provides platform for presentation of research conducted and encourages them by giving different awards and cash prizes. Institute promotes the faculty and students to attend seminar and conferences at different institutes by providing travelling allowance. Institutes conducts industrial expert interaction with students and faculties for updating in knowledge .Institute carry out various entrepreneurship programs for the student's development in business area. Institution has signed more than 25 MOUS in different sectors like academic, industries and laboratories. It has provided benefit to students and faculties for carrying out their research activities. Institution library is fulfilled with DELNET and various national and international journals. Institution has its own NSS unit which contributes help to society by conducting cleanliness program, different guest lectures and blood donation camp. Different extension activities for empowerment of women's and awareness program about different disease and disorder are carried out by institution for development in rural areas.

## EXTENSION ACTIVITIES

The extension activities carried out by APCK has aimed towards social development in rural areas. NSS unit has taken major efforts in carrying out this extension activities. Different programs like blood checkup camp, blood donation, free health checkup camp, survey about different diseases and disorders were organized by NSS unit. Institution has taken efforts in organizing guest lecture on cancer awareness in women, AIDS day which has helped our students to get sensitized towards social issue.

### Health Care Program

#### 1 Free Health Checkup Camp

Institution has organized free health checkup camp in 2024 at Vakre village and in 2023 at Bhamte village. Blood group detection, eye checkup camp, Measurement of BP and HP was done by NSS Volunteers at free of cost. Multi vitamin tablets were distributed after checkup to the peoples vesting camp. Members of grampanchyat and other peoples in village appreciated the social activity carried out by NSS students.

#### 2 Blood donation camp.

Institute has organized blood donation camp in association with vaibhavi Lakshmi blood bank on various occasions in our campus. Students were motivated to donate the blood; more than 200 of blood is donated to blood bank. Our institute has also organized blood donation camp at gaganbawda with the cooperation of NSS Volunteers.

#### 3 Village adoption and residential camp

Institute has adopted vakre village in year of 2024 and NSS unit carried out different programs as cleanliness at river region, temple and streets of village, health checkup camp, uterine cancer awareness in women's and management in diabetes. Through the residential camp all the students were sensitized towards social responsibilities, enjoyed the life at village. They learned to cook the food by themselves and solve the problems and difficulties by their own.

#### 4 Seva Pandharwada

On the occasion of Seva Pandhravda: Rastraneta te Rastrapita NSS unit organized different activities in sept 2022. Voter awareness camping was carried out, plantation at botanical garden, medicine awareness program, guest lecture on meditation, clean college campus and blood group detection camp was organized.

## **Innovation Ecosystem**

Our institution has created its own innovation incubation center based on theme Incubator incubator in formulation and development of herbal drugs by innovative techniques. Institution has positive environment for researcher work and creative minds. Institution is fulfilled with required infra for research progress. Institution has created its own institution innovation and incubation cell. Institution promotes the faculty and students to carry out new research activities. Institution has received two times grant from shivaji university Kolhapur. Institution supports students and faculty by providing required chemicals and equipment's for research work. APCK provides financial assistance to students and faculty participating in national and international conference and promotes to present their works through these platforms. Institution has organized two multidisciplinary national level conferences in campus and provided platform to students and faculties to present work and published in conference proceedings. Institution has organized various guest lectures on intellectual property right and research methodology. Institution full filled with the researcher minded faculty having their own design patents, patents published and granted too. Institution library has subscription for DELNET and other e journals. Students have secured various prizes in state and national conference.

## **Awards received for extension**

Our institute has its own active NSS unit with more than 50 volunteers from third year and final year B.Pharm. Through this NSS unit institution has created number of activities in nearby villages and received acknowledgement from grampanchayat. Grampanchayat Bhamte appreciated for the work done by adopting village and carrying out different activities at Bhamte. Grampanchayat Vakre appreciated for the work done by adopting village and carrying out different activities at Vakre. Vaibahavi laxmi blood bank has also acknowledge intuition and NSS unit for organizing blood donation camp and donating more than 50 bottles of blood. Institute has received green campus award by VMedulife Pune Pvt.Ltd.KPC multi-specialty has appreciated college for arranging free health checkup camp. Institution has received such different appreciation for carrying out valuable work in nearby villages.
