## 4.1 Physical Facilities

**4.1.1 The Institution has adequate infrastructure and physical facilities for teaching-learning. Viz., classrooms, laboratories, computing equipment etc.**

### Response:

Anandi Shikshan Prasarak Mandal Sanchalit, Anandi College of B. Pharmacy, Kalambe Tarf Kale located at the foothills of the famous Waghjai mandir in the outskirts of Kalambe village. Sanstha has developed a beautiful educational campus and offers professional courses with excellent ultra-modern facilities. A three-floored building of Pharmacy College situated from Kolhapur-Gaganbavda road in the green lustrous outfit adds beauty to the Waghjai hills at back. The pharmacy institute with built-up area of more than 5000sqm constructed as per regulatory norms with state-of-the-art infrastructure. The ground floor of the college has a welcome lounge and administrative wing for easy communication and accessibility to the stakeholders, and visitors. To avoid congestion every floor has two entry and exit points and is well planned for smooth conduction of academics. The entire college building and infrastructure is under 35 CCTV surveillance.

**Classrooms:** The institute provides seven ultra-modern classrooms and seminar hall equipped with LCD projectors, Wi-Fi, and smart board facilities and has extra space for future development. The classrooms are under CCTV surveillance for academic monitoring. A notice board is displayed outside every classroom, which keeps students informed constantly concerning their timetable, student activities, academic calendar, daily schedule, change schedule, and time-to-time communication with their class teacher and college authorities.

**Laboratories:** The Institute has provided adequate laboratories to perform practical's of various courses. All laboratories are associated with a preparation room, chemical storage area, and teacher's room and are equipped with laboratory instruments, common facilities, charts, models etc. for participatory and experiential learning.

**Instrumentation room:** The College has a separate instrument room facility equipped with heavy-duty instruments. All instruments are routinely maintained and operated as per the Standard Operating Procedures (SOPs). Many sophisticated instruments like UV spectrophotometers, tablet punching machine, dissolution test apparatus, sieve shaker etc. are properly installed.

Email: [anandipharmacycollege02@gmail.com](mailto:anandipharmacycollege02@gmail.com)

**Common facility centre:** Equipped with sophisticated instruments like P<sub>H</sub> meter, conductivity meter, electric balance, microwave synthesizer, polarimeter, UV cabinet, flame photometer etc.

**Computer Laboratory:** A computer laboratory is available for the students, which has adequate computers, internet connectivity, and a projector to support practical sessions. In addition, the college provides access to software packages such as Ex-Pharma, Delnet e-books, and scientific journals which are used for pharmacology practical and e-learning respectively.

**Museum:** Well-organized museum and display have been arranged at prime locations reflecting information about the history, dosage forms, crude drug museum, and scientific achievements which help students to get easy information and remembrance.

## The Herbal Medicinal Garden

### **Name list of Medicinal Plants-2023-2024**

Pharmacy course requires the students to learn and practice exploration and exploitation of drugs from various origins including the plant kingdom. Keeping in view this requirement, our college has set up a Medicinal Plant Garden comprising of different varieties of easily cultivable plants, shrubs, climbers and herbs.

The Medicinal Plant Garden used for several purposes such as –

- To provide students the opportunity to learn Pharmacognosy by studying the cultivation and preservation of medicinal, volatile oil yielding and aromatic plants from which several drugs and pharmaceuticals are obtained.
- To provide authenticated herbs and plant samples required in regular practicals and research investigations.
- To provide an opportunity to investigate the possibility of successfully cultivating exotic plants and herbs in the local geo-climatic environment.

Sr. No	Common name	Botanical name	Family	Use
1.	Lipstic tree, Sendri	<i>Bixa orellana</i>	Bixaceae	Food colorant
2.	Vinca/ Sadabahar	<i>Catharanthus roseus</i>	Apocynaceae	Anti-cancer
3.	Vasaka/Adulsa	<i>Adhatodavasica</i>	Acanthaceae	Bronchodilator
4.	Amla/Gooseberry	<i>Emblica officinalis</i>	Phyllanthaceae	Refrigerant, Vit 'C' Diuretic
5.	Bor/Indian date	<i>Zizyphus mauritiana</i>	Rhamnaceae	Digestive
6.	Junglipyaz	<i>Urgenia indica</i>	Liliaceae	Cardiotonic
7.	Datura/ dhotra	<i>Datura stramonium</i>	Solanaceae	Anticholinergic
8.	Makad limboo	<i>Atlantia racemosa</i>	Rutaceae	Flavoring agent
11.	Beheda	<i>Terminalia belerica</i>	Combretaceae	Astringent
12.	Happy tree/ Narkya, Amruta	<i>Mapi foetifa/Camptotheca acuminata</i>	Nyssaceae	Anticancer
13.	Gulvel/Giloli	<i>Tinospora cordifolia</i>	Menispermaceae	Generic tonic, immunomodulator

**The institution has adequate facilities to support physical and recreational requirements of students and staff- sports, games (indoor,outdoor), gymnasium, auditorium, yoga centre, etc.) and cultural activities**

**Response:**

The institution has adequate facilities to support students' and staff's physical and recreational requirements.

**Sports:** The College has provided sports facilities to the students and staff or health awareness, development of leadership qualities, and mental toughness. Outdoor sports such as cricket, football, volleyball, kho-kho, and the athletic track, the college provides ready-to-play grounds with all necessary facilities. Indoor games facilities for chess, carom, and table tennis are provided in the recreation room. The institute organizes Shivaji University-sponsored lead college sports activities, and inter-class sports week. Our students also participate in various sports activities organized by other agencies.

**Gymnasium:** A separate gym room is created with exercise facilities for students and staff.

**Yoga Centre:** International Yoga Day is celebrated on 21<sup>st</sup> June in the college. To encourage students to practice meditation and yoga in our institution.

**Auditorium:** The institution is planning to construct an auditorium of 500 seating capacity within the campus. The facilities like a spacious stage, back screen window, LCD projector, screen, with the best audio system. The auditorium is the best opportunity for students and staff to showcase their hidden talent.

**Cultural activities:** Every year ACBPK organizes various cultural activities like traditional day, Ganesh Chaturthi festival, Dandiya, Makar Sankranti etc. We encourage our students to explore and nourish the hidden talents of students to participate in cultural activities and competitions that are held outside the institute to develop leadership qualities and cultural harmony.

## Drug museum

The college has a museum which displays informative & wonderfully arranged drug display boards that show case the latest allopathic and herbal formulations. Anatomical models, informative charts, specimens, photographs and news updates related to the field of pharmaceutical sciences also enrich the collection. The museum also includes drugs obtained from natural sources like plants, different dosage form syrups, tablets, capsules, eyedrops, ointments, suppositories etc. Apart from the drugs, various models, permanent slides, herbarium sheets, assemblies and special model equipment are also displayed in the museum.

In our pharmacognosy section, we have various specimens of crude drugs, as of Cardamom, Liquorice, Fennel, Nutmeg, Ajwain, Black Catechu, Garlic, Amla, Coriander, Sandalwood, and many more.
