Importance of profession ready training and placement program in clinical research and pharmacovigilance

On 13th September 2022 a One-day training webinar was organized for the B Pharm students for introducing them to career opportunities in clinical research and pharmacovigilance by IQAC and Training & Placement Cell of college in collaboration with CLINI INDIA a progressive and premier Clinical Research Institute.

The team of eminent trainers from Clini India was formerly welcomed by Principal Dr. S.A. Pishawikar, Vic-principal & IQAC in-charge Dr. Rahul Adnaik and Training & placement in-charge Mr. Sujeet Salokhe presided over webinar by briefing students about purpose and intention with which programme was arranged. Prutha Joshi of Clini India gave a brief information about the activities and training courses offered by Clini India. She also formerly introduced the students and staff of college to the Eminent trainer/ speaker Mr. Vishal Chaudhari.

In his delivery he introduced students to various career options in the field of clinical research and

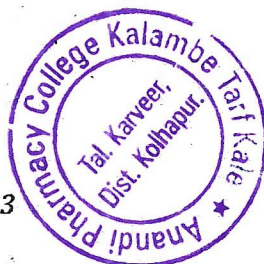

Pharmacovigilance which is becoming a hub of employability. He briefed students about expectations of industry from a fresher as well as categorically insisted that students should acquire in depth knowledge in subjects like Anatomy-Physiology and Pharmacology. He shared few secrets where by higher package and placement can be achieved in a reputed organization/ industry.

Around 130 students actively participated in webinar. Students seem to be overwhelmed by the information they received in the field of clinical research and pharmacovigilance.

IQAC as well as Training & Placement Cell felt that the purpose with which the training session was arranged was very much beneficial for student in getting orientation in planning their professional career in the field of clinical research and pharmacovigilance.

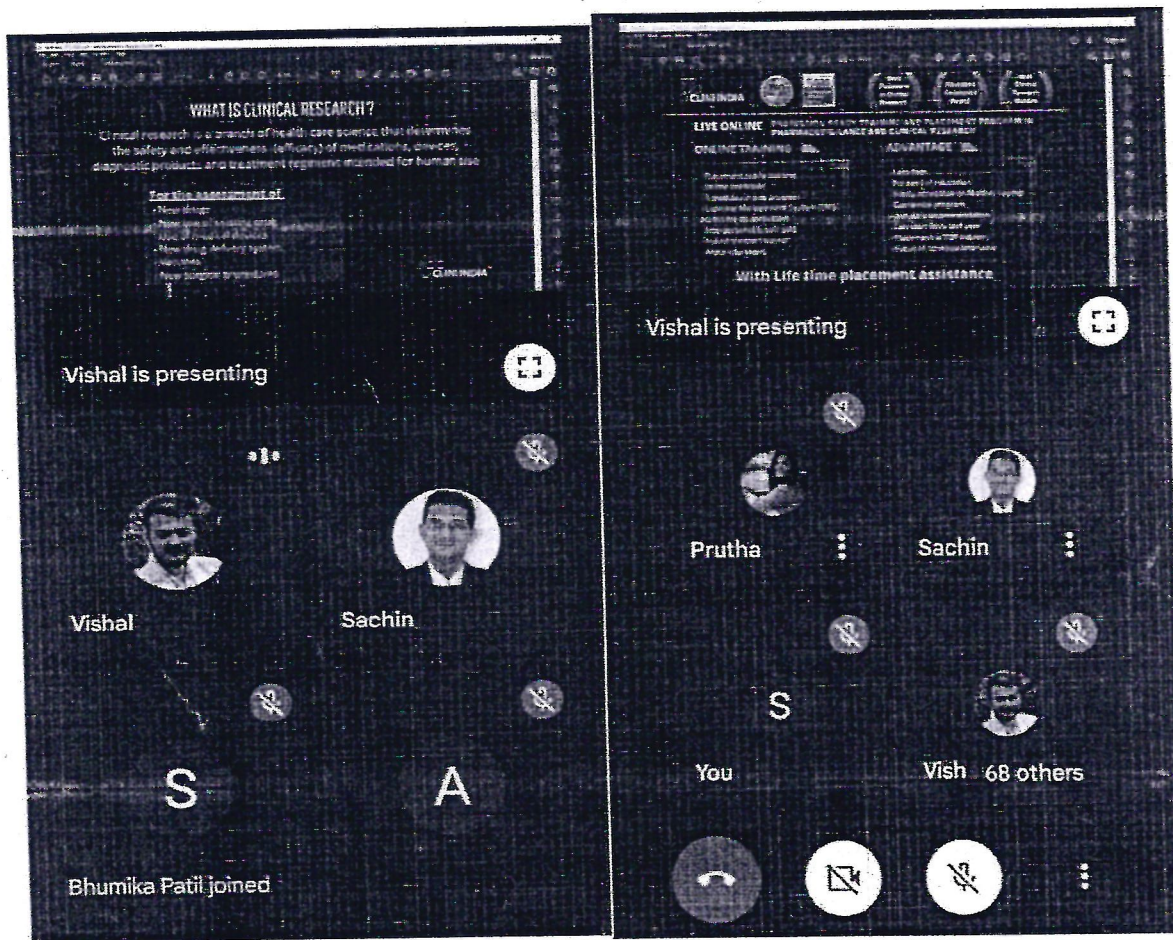

Vote of thanks was given by Mrs. Rutuja Shaha madam. All the staff members provided their whole hearted support in making the webinar a grand success.

Academic Year 2022-23
