Policy for Alternate Source of Energy, Energy Conservation and Environment Friendly Ecosystem

Purpose: To construct infrastructure for alternative energy sources so that power may be produced and used more effectively.

Scope: Our institution is committed to reducing its carbon footprint and promoting sustainability. This policy outlines our commitment to exploring alternate sources of energy, conserving energy, and creating an environment-friendly ecosystem.

Objectives:

1. Reduce dependence on fossil fuels
2. Increase use of renewable energy sources
3. Implement energy-efficient practices
4. Minimize waste and reduce carbon emissions
5. Promote sustainable practices in daily operations

Implementation:

1. Creating awareness among students and teachers in terms of plastic free
2. Campus, energy conservation, rain water harvesting and environmental and social outreach programs.
3. College seeks to reduce consumption of resources, reuse where ever possible and recycle the same.
4. Implementation of proper principles of solid waste management and reduction of environmental pollution.
5. Ensure staff and students receive appropriate environmental awareness training
6. Improve the appearance of the college and encourage the use of recycled paper continually improve its environmental impact performance.
7. Increased use of UPS against conventional generator.
8. Most of the fans carry three-star rating of electrical appliances.
9. College has encouraged use of SMS/e-mail instead of sending notices and faxing documents.

10. Awareness amongst students was carried out and accordingly sign boards are displayed at strategic locations for conservation of energy and students positively responding.
11. Establish a sustainability committee
12. Conduct regular energy audits
13. Allocate resources for sustainability initiatives
14. Collaborate with external partners for expertise and funding
15. Monitor and evaluate progress regularly

All of these initiatives are designed to preserve the campus environmentally friendly atmosphere.

This policy finalized in IQAC meeting.
