7.3.1: Institutional Distinctiveness

Bringing Rural Youth to Higher Education/ Professional Education

The Anandi Pharmacy college, stands as a beacon of higher education in a region marked by its hilly and remote geography. Rooted in its vision and mission, the institution is dedicated to transforming rural youth into highly qualified, globally competent, and ethically sound pharmacy professionals. The distinctive approach of the institute is centred around its commitment to fostering professional, technical, and personal growth, while addressing the unique challenges faced by students from these rural areas.

The vision statement of the College, is to "foster rural youths from hilly and remote regions and craft them to produce highly qualified, globally competent, ethically sound, and morally proficient healthcare professionals for the betterment of society."

This vision emphasizes several key thrust areas:

- **Focus on Rural Youths:**

The institute prioritizes students from rural and remote regions, recognizing their potential and providing them with opportunities that might otherwise be inaccessible; High **Qualification and Global Competence:** The goal is to equip students with the knowledge and skills necessary to excel not just locally but on a global stage.

- **Ethical and Moral Proficiency:** The vision underscores the importance of ethical behaviour and moral values in the healthcare profession
- **Societal Betterment:** Ultimately, the aim is to contribute positively to society by producing healthcare professionals who are committed to improving public health and well-being.

To achieve this vision, the institute's mission is articulated through specific commitments:

- **Professional Competence and Technical Knowledge:** The institute aims to foster professional growth by providing pharmacy education and soft skills training.
- **Preparation for Competitive Examinations:** By motivating and preparing students for competitive exams, the institution ensures they are ready for global opportunities.
- **Holistic Development through Seminars and Workshops:** Organizing and attending various developmental programs for both faculty and students is a priority.
- **Human Values and Ethical Concepts:** Through online and offline training, the institute seeks to instil strong ethical values and concepts.

While emphasising on Rural Youth Development The institute offers scholarships and financial aid specifically for students from rural and economically disadvantaged backgrounds. Additionally, special orientation programs are conducted to bridge the educational gap and bring these students up to par with their peers from urban areas.

The focus is on Integrated Professional and Pharmacy Education and the curriculum is articulated and delivered to include hands-on training and real-world applications. For instance, pharmacy students might participate in community health drives, providing them with practical experience while serving the community. In the preparation for Global Competence, the institute offers coaching and preparation classes on global pharmaceutical practices. Regular seminars, workshops, and guest lectures by industry experts keep both faculty and students abreast of the latest developments in their fields. The institute also hosts faculty development programs (FDPs) to ensure that the teaching staff remains innovative and effective in their pedagogy. The institute conducts regular workshops on ethics and professional conduct. Courses on bioethics are integrated into the curriculum, and students are encouraged to participate in community service projects, which reinforce the importance of ethical behaviour and societal contribution.

The institute through its dedicated focus on fostering rural youths, stands out as a distinctive institution in the field of pharmacy education. By emphasizing technical proficiency, ethical standards, and societal contribution, the institute not only prepares its students for global challenges but also ensures they remain grounded in their commitment to improving local communities. The integration of practical experience, and ethical training creates a holistic educational environment that truly embodies the vision and mission of the institute.

ANANDI PHARMACY COLLEGE, KALAMBE.

INDUSTRIAL VISIT REPORT

Anandi B Pharmacy College, Kalambe tarf Kale organized two days industrial visit and training for final year students, one day workshop was arranged at PQS Training laboratory, industrial estate Verna GOA. Dr. R. S. Adnaik, Mrs. P. R. Adnaik, Mr. S. S. Patil and Ms. R.R.Shah coordinated the industrial visit. Prashant Fanskar sir welcomed the staff members of Anandi Pharmacy College and conducted workshop along with his co-ordinator. Brief introduction related to industrial exposure, handling of instruments along with documentation was conducted.

Vision of this training laboratory is to give exposure to students to transform from campus to corporate. The laboratory has different instruments and facility of hands on training for students and research projects accepted for sampling from faculty and students as well. Total 56 students participated in this turning; all the students were awarded with certificate for completion of one day training. Our students observed the working of instruments in industry and they asked some questions to

the Phaneskar sir. Sir also answered and explained their questions. Our students understand the system of industry. They also handle some instruments. They felt very happy they got some knowledge of how the industry works.

On second day student visited to science center goa, students visited planetarium and enjoyed the session of 40 mins related to different planets and gained knowledge related to it. Students observed different experiments based on concave and convex lens, they enjoyed 3d show and mirror house effects.

Dr. Sachin Pishawikar (Principal of Anandi Pharmacy College) Dr. Rahul Adnaik Sir (Vice Principal of Anandi Pharmacy College), Hon. Prof. Satish Desai sir (Chairman Anandi Shikshan Prasarak Mandal) and Dr. Mrs. Vidya Desai Madam (Hon Secretary Anandi Shikshan Prasarak Mandal) gave support to conduct industrial visit.

OUTCOME:

- To create a brief, educational intervention for pharmacy students aimed at developing appropriate attitudes, knowledge, and skills for the transformation from campus to corporate.
- To elicit student perceptions of the value and impact of the intervention.
